

### Corporate Member application form

This category of memberships is suitable for corporate organisations that have a commercial, cultural or social interest in architecture. Government authorities and cultural institutions all have aspects of this interest. Firms of architects, designers, engineers, planners, developers, builders or building products suppliers will have this as a core part of their business.

By supporting the AAA, your organisation will be known for helping the promotion of good architecture and the enhancement of the built environment.

There are 3 tiers of Corporate Memberships: Corporate, Black Corporate and Principal Black Corporate. Please refer to the Membership Brochure for benefits.
